Continuation of 4(e) Other: Each claim has not been provided with the proper deletion and addition of new claim language. Note: indications of deleted claim language should be a line through the text of the claims, indications of additional claim language should be an underline, (e.g., claim 6 is presented as "previously presented" when it should be "currently amended" and claim 6 does not have the amended sections marked properly). This is only one example of the improperly filed claims.
